Year 12 students can secure a discounted early bird spot for \$250 (usually \$290) for Melbourne 1 July to 4 July.

[Click here to learn more or register your interest.](#)

The National Youth Science Forum (NYSF) STEM Hubs are designed to give you a broader understanding of the diverse study and career options available in science, technology, engineering and mathematics (STEM) and to encourage continued studies in these fields.

You will have the opportunity to:

- participate in tours of science and technology facilities,
- learn about cutting-edge research,
- engage with industry partners and research providers,
- learn about university, training and STEM career pathways,
- mix with other like-minded students from all over Australia, and
- attend social activities.

UNIVERSITY of
TASMANIA 

Did you know?

- The University of Tasmania is the #1 globally ranked university for climate action!
- Applications to the University of Tasmania are not made through a Tertiary Admission Centre. UTAS processes all applications directly.

Talk to UTAS at your local expo:

- Victorian Careers Show 16 – 19 May
- Melbourne Career Expo 25 – 29 July

New courses to explore

- [Bachelor of Outdoor and Environmental Education](#)
- [Diploma of Nature-Based Guiding \(1-year\)](#)
- Bachelor of [Geospatial Science](#) has replaced the Bachelor of Geography and Spatial Science

Schools Recommendation Program

The UTAS early entry program allows you to apply for up to five courses by the end of June. Instead of relying solely on your ATAR, your application is assessed on your school's recommendation, which may include your Year 11 results. Offers are made from September, giving you plenty of time to apply for relocation scholarships if you're from interstate.

- Round 1 applications open 27 June and close 29 July.

Torrens University Design & Creative Tech. Scholarship

Torrens University Bright Awards Design and Creative Technology Competition highlights emerging talent across secondary schools in Australia.

One Category Winner will receive a 50% scholarship to study Design and Creative Technology at Torrens University plus \$5,000 for their school!

Entry categories

- Architecture & Interiors
- Digital Technology
- Fashion Design, Marketing & Textiles
- Media Arts & Gaming
- Photography
- Visual Arts

The competition is looking for original ideas, research, and planning. Submissions considered from a social, environmental or economic perspective are well-regarded.

Key Dates

- Entries open: 2 May 2024
- Entries close: 19 Aug 2024
- Judging period: 19 Aug – 27 Aug 2024
- Winners announced: 6 Sep 2024

Calling all Year 10–12 students; explore your curiosity and creativity in Fine Art, Design and Architecture at Monash!

Gain a better understanding of art mediums, design thinking approaches, and architecture studios through the Monash hands-on experience days at the [Caulfield campus](#).

In these studio sessions, you'll work on mini design briefs, experiment with materials, and collaborate with each other on built constructs. Experienced staff will guide you to challenge and develop your technical skills, artistic perspectives, and design-thinking. By the end of the day, you'll have a deeper appreciation for your discipline and a clearer perspective on your passion to study at Monash Art, Design and Architecture.

You can attend as many of the workshops as you like for free!!

- 2 July: How to build your fine art folio
- 3 July: Design around the world in 180 minutes
- 4 July: Architecture making workshop
- 24 September: Fine art workshop
- 25 September: Design making and electronics
- 26 September: Architecture making part 2

Swinburne Early Entry Program

Are you a Year 12 student who wants to be part of the next generation of change-makers and big-thinkers? Looking to join the uni that puts innovation, tech, and deep industry partnerships first? The **[Swinburne Early Entry Program](#)** means you can apply to Swinburne early and ATAR-free, and start shaping the next gen_now. As an added bonus, you'll be notified about exclusive opportunities to experience Swinburne early.

How to apply

1. Browse the list of [Early Entry Program eligible courses](#) before you begin your application.
2. Speak to your school about your interest in Swinburne's Early Entry Program and request a recommendation for your application.
3. Fill out an online application. Take your time answering the questions, as your responses will be used to assess your application.
4. Once you've completed your application, you will receive a confirmation email including a form that your school must fill out and submit.
5. When VTAC applications open, add your Early Entry course as the highest preference on your list so your early offer can convert to a full VTAC offer.
6. Your work here is done! Swinburne will be in touch regarding the outcome of your application from the start of September.

Get involved in these extra-curricular challenges and competitions to pursue your passions, build your skills, and develop your portfolio. All are free (unless otherwise stated), and many offer amazing prizes!
