

MASTER CHEF SCHOLARSHIP PROGRAM 2024

*Made possible by the Coxall Family
Scholarship Fund*

ABOUT THIS SCHOLARSHIP PROGRAM

Students selected for this scholarship program will participate in a dedicated 90 minute weekly session as part of a group of 8-10 students from years 4-6. Sessions will run after lunch and will be held in the kitchen at the Buninyong Campus. Transportation for students will be provided as required.

This program will be led by Emily Gilliland, who works as a teacher aide at our school and is a trained chef. Students will learn all about food preparation, reading recipes, how to use kitchen equipment and food safety. Cooking something tasty will be a feature of every session.

For this scholarship program, we're looking for students with a passion for food and cooking. Participation will require a commitment to practising learnt skills out of school.

SELECTION CRITERIA

- Demonstrated commitment to the school's values (Respectful, Responsible and Kind)
- A demonstrated interest in food and cooking.
- Demonstrated ability to collaborate with others.

APPLICATION PROCESS

Students currently in grades 3, 4 and 5 are now invited to apply for a spot in the 2024 Master Chef Scholarship Program. Students from both campuses are invited to apply. The closing date for applications is Friday December 1st.

To apply, students need to write a letter explaining why they would like to be participate and why they should be selected. Whilst students can apply for more than 1 scholarship program, they can only be selected for 1. Students are also invited to include extra documents that demonstrate their interest and capabilities in food and cooking.

Please submit applications to the office staff. We do expect each of the scholarship programs will be over-subscribed, so it's likely we'll organise an interview with each application to ensure the best candidates are chosen.
