

WGV COMMUNITY ORCHARD

Winter Solstice Lantern Walk

Sunday 21st June

4.30pm - 7.30pm

On-site @ WGV Orchard / Enter from Samson St only

2020 is different but we are still lighting up the Valley!
This year we encourage you to decorate your house, organise your own family / friend group & follow the "Lights in the Night" map to the Orchard, to simply walk through our bountiful site & celebrate the longest night of the year.

Make a recycled lantern (check fb for inspiration) & perhaps donate a lantern to decorate the Orchard?
Drop lanterns at Orchard 3pm to 4pm - Sun 21st June

Get your house on the "Lights in the Night" Valley map by emailing janet@horabin.com before 19th June. Map posted on fb and at the Orchard

Keep safe & keep community
