

TARNEIT P-9 COLLEGE

Dear Parents and Carers,

As we conclude what has been a unique and challenging term, I would like to thank and recognise the efforts from our students and parents in ensuring that all students have been learning effectively. I would like to thank you all for your support with our ever-changing conditions and the return to school in the last 3 weeks. It has been fantastic to see our students return and we are excited about what Term 3 brings.

I would also like to thank all the teachers and education support staff that have continued to work with our students whether remotely or at school. Their efforts as usual go above and beyond what they are required to do and have always put the students at the forefront of everything they do.

I would like to also send out a special mention to College Captains, who have demonstrated fantastic leadership in these challenging times. They have been proactive in their leadership and excellent role models in the school since their return.

They showed amazing flexibility and willingness to learn and adapt by hosting our first ever Prep-Year 9 assembly via Zoom last week.

Congratulations again to:

We look forward to a busy Term 3 where our year 9 students will continue their preparation to transition and graduate from our College, while our Year 8 students will begin their preparation for the possibility of College leadership as well as the opportunities that will arise from being the senior students and role models of our College.

To all our families, have a safe and lovely Term 2 break and we look forward to seeing you all in Term 3.

Kind Regards,

John Eskander,
Assistant Principal, Years 8-9
