

# End of Term Kids Disco a Huge Success!

On the last day of Term 1, with the help of a bunch of amazing parents and students (across all year levels), we hosted a fabulous Kids Disco in the school hall...

The purpose of the night was an opportunity to let the kids burn off some energy and for those in attendance – they will vouch that this mission was accomplished!!!!

A great night was had by all and through our “cover charge”, face-paint, nail polish, fake tattoo parlour, glow sticks and crazy hair, we managed to raise a wonderful

## \$1,125

which we will proudly pass on to the redevelopment of the St Raphael’s Outdoor Playspace!

We are also happy to report the inaugural “Easter Bunny Coin Toss” competition saw us raise a much appreciated \$160 for the Caritas Project Compassion – well done kids!!

We were fortunate enough to have Andreas Mihalakos (uncle of Katerini 3/4E and Ariana FS), volunteer his time, equipment and energy to DJ our event – thank you so much Andreas!

A big shout-out and thank you to the Year 6 Performing Art Students who assisted wherever they were required:

Emily Mason, Cartia Conte Massara, Kayla Maiale

Special thanks to the following parents who went out of their way to make the night the success it was – prepping the hall, running an activity, hosting or cleaning up!

Carmel Ganino	Danielle Briganti	Diana Perrotta
Emma Licastro	Filippa Brugliera	Fiona Leggiero-Christoff
Gina Sapountzis	Julie Inturrisi	Liliana Vavarigos
Margarita Efe	Maria Mennillo	Michelle Rosa
Miranda O'Brien	Patty Lune	Sally di Martino
Simon Perrotta	Stav Mihalakos	Sue Ann Perry
Teresa Velardi	Adriana Villella	Carmel De Francesco

Many parents in attendance put their hand up to assist on the night – or couldn’t duck quick enough when they were asked to help! On a serious note – without the reliable St Raph’s parent community – nights like this just can’t happen – so thank you and apologies if we missed you in the list above!

Bring on the Kids Disco 2018!!
