

FAIRFIELD TEAMKIDS NEWSLETTER

WHAT'S BEEN HAPPENING

We had a great Winter Vacation Care where children visited the movies, learnt about the history at Pentridge Prison, explored the Melbourne Sky Deck and improved their dance moves at Glow Mode where children experienced a silent disco. Back at the service, children handled reptiles, danced their way through a Zumba class and created their own gardens using succulents. We all had such a great time together!

We have started the term off strong with children signing up and voting for their favourite clubs. Children have chosen: Art & Drawing Club, Culture Club: First Nations Edition, EPIC Games Club, Lego Masters Club & Cooking Club. Children will also be participating in a STEM Club challenge. This is a nationwide club that all TeamKids services will be involved in.

On Friday, the 25th of July, children brought their pyjamas in their school bags and changed at TeamKids to participate in National Pyjama Day! Children enjoyed being warm and comfy while creating sleep masks and even their own pyjamas using plain t-shirts and felt markers. We enjoyed a special afternoon tea and loved taking photos in our PJs!

Medical Reminder

If your child has asthma, allergies or anaphylaxis – please ensure medication is dropped off at the service prior to your child attending. Medication will need to be in its original packaging (we cannot accept anything less) and will need to be kept at the service and given to the staff in order for your child to attend. All medical, additional needs & dietary requirements will also need to be stated on your child's enrolment.
