

Term 2 report 2023

TheirCare - Cranbourne South PS, throughout the past couple of months, we have had lots of fun. We are coming to the end of the Term Two this Friday 23/06/2023.

With so many new families attending, we have been able to make lots of new friends, get to know more students and welcoming the new families attending the service.

We have had many students attending the service allowing lots of families to use our TheirCare Before and After School Care program.

During term 2 Donna Dissanayake new Coordinator has been able to step up and help with the service, with the guidance of Donna More Mentor Coordinator.

We have been able to have experience lots of Indoor and Outdoor activities which, were educational and fun.

Throughout the term, to mention a few, we made lots of art and craft, math sheets, word search, number colouring, great group conversations and spend time outdoors playing Basketball, Cricket, Footy and lots of other games. We also, made delicious food every morning and afternoon for Before & Afternoon Care Program.
