

## Level crossing removal works

# Our Holy Redeemer School Shuttle Bus

We're removing the dangerous and congested level crossings at Union Road, Surrey Hills and Mont Albert Road, Mont Albert by lowering the rail line beneath the roads in an open trench and building a new premium station with better facilities and more services.

From **17 February until early May 2023**, Mont Albert Road and Union Road will be closed to both vehicles and pedestrians.

During this time, a local shuttle bus - operating 24/7 - will help you cross from one side of the tracks to the other.

We will also run a dedicated shuttle for your school each morning and afternoon, Monday to Friday (see map overleaf).

For your safety, please observe any signage and instructions in place during this time.
