

## **Term 2 Performing Arts** **Curriculum Overview 2025**

This term, all students will continue to prepare for the Sacred Heart school musical, "Disney Frozen Jr."

All students will learn the lyrics and dance routines for their class performance. They will learn parts of the stage and experiment with music, dance and acting concepts. They will explore the use of correct voice projection, use of microphones to enhance voice, and learn how to perform as part of an ensemble.

All students will learn the importance of props, their placement on the stage and how they contribute to the performance.

Senior students will commence designing and creating the props that will be used in the performance.
