Reminder: Aspire – Early Admissions Program to La Trobe

Year 12 students applying for La Trobe's **Aspire Program** are reminded that applications close on **31 August 2019**. A reminder that applicants are required to provide information about the length and frequency of their community service and/or volunteering experience, as well as a 400-word description of their involvement and impact.

Types of volunteering include –

- community service or community group activities
- religious/cultural group activities
- participating in social justice groups or a school leadership role
- leadership in sport, the performing arts or charity fund-raising group activities

Early Conditional Offers will be released mid-September. Further details can be found at the [How to Apply](#) link.

Reminder: Community Achiever Program (CAP)

Year 12 students applying for ACU's **Community Achiever Program** are reminded of the following –

CAP applications to study in 2020

- **Close** – Wednesday 14 August 2019 (Melbourne courses)
Wednesday 28 August 2019 (Ballarat courses)
- **Early Conditional Offers released** within two weeks of applications closing

Failure to meet all the requirements for the CAP will result in not being considered for the program. Students are encouraged to browse [how the CAP is assessed and offered](#) so they can make sure their submission is well-written.

VTAC Year 11 and 12 Guide 2019

The ***VTAC Year 11 and 12 Guide: Researching Courses and Applying*** publication is designed to lead students through the course research and application processes, with the expectation that it will make it as straight forward as possible for students. So, Year 11 students will benefit by using this publication to plan, research, and make tentative decisions, whilst the Year 12 students will use it to plan, research, decide, and apply. The publication provides information on *key dates*, *how the application process works*, *useful tips on scholarships*, *VTAC personal statements*, and much more! Although each Year 11 and 12 student will receive their own personal copy, this guide is also available as a PDF - [VTAC Year 11 and 12 Guide](#)

What is VET in the VCE?

VET stands for *Vocational Education and Training*, and vocation refers to work or employment. **VET in the VCE** programs are designed to give students an exposure to practical skills and an understanding of what it is like to 'learn through doing'. So, students can opt to do a VET subject while completing their VCE and, in most cases, the VET qualification contributes towards the VCE and the ATAR.

Visit [VET in the VCE](#).

CASPer Entry Requirements for Teacher Qualifications

CASPer is an online test designed to assess an applicant's personal and professional attributes. **CASPer** is a requirement of applying to many initial teaching training courses in Victoria - [CASPer](#)

Most universities offering undergraduate teaching courses will be requiring students sit the **CASPer** online test as part of the selection into teaching degrees in 2020. Students are encouraged to browse [VTAC](#) and learn which courses will require the **CASPer** for selection.

News from Deakin University

➤ **New Psychology majors available**

Deakin has three *new* psychology majors - *forensic studies, child and family, or organisational studies*, which are unique in Victoria and available in the [Bachelor of Psychology \(Honours\)](#) as well as the [Bachelor of Psychological Science](#).

➤ **Arts and Education Folio Requirements**

The following courses require a portfolio for entry into Deakin. –

- Bachelor of Creative Arts (Dance)
- Bachelor of Creative Arts (Photography)
- Bachelor of Creative Arts (Visual Arts)
- Bachelor of Design (Visual Communication)
- Bachelor of Design (3D Animation)
- Bachelor of Design (Digital Technologies)

For regular updates, visit [Folio Applications](#)

➤ **New Dietetics Pathway Program**

For students aspiring to a career as a dietitian, Deakin is now offering a *new* course, the ***Bachelor of Nutrition Science (Dietetics Pathway)***, which guarantees graduates entry into the Master of Dietetics if they achieve a WAM of 75 or above. This course includes all of the dietetics prerequisite units as core units, as well as offering five nutrition/food related electives and two additional elective units which can be selected from across the university.

Visit [New Dietetics Pathway Program](#)

News from RMIT University

➤ **New Bachelor of Space Science**

Did you know that space is a \$495 billion dollar industry? Australia currently does not have sufficient skilled professionals to meet this need. In response to this, RMIT will launch the ***Bachelor of Space Science*** for the February 2020 intake. This degree encompasses RMIT's strong space industry and space agency partnerships with government and industry, including connections with Boeing, the Department of Defence and NASA.

Further information can be found at [Bachelor of Space Science](#)

➤ **Bachelor of Engineering (Honours)**

This *new* degree will allow entry with any maths including Further Mathematics, opening doors to many students who would otherwise miss out without the Maths Methods prerequisite. Students will have the opportunity to choose from a wide range of specialisation electives in their first year, giving them the information they need to choose the area they would like to focus on and continue from in their second year.

Further information can be found at [Bachelor of Engineering \(Honours\)](#)

➤ **Bachelor of International Studies**

This degree will replace the Bachelor of Arts (International Studies) for students commencing in February 2020. Within this course, students will be able to specialise in one of four streams: **general international studies, development, global security, or languages**, as well as choose electives. Students will develop skills in international relations, diplomacy, business, and humanitarian policy and have the opportunity to complete an internship in Australia or overseas. Further information can be found at [Bachelor of International Studies](#)

News from Swinburne University

➤ **Architecture at Swinburne**

From crafting areas that promote wellbeing, to engineering bridges and designing interiors for the future – choose a course in Built Environment and Architecture at Swinburne, and you'll learn how to apply innovation in spaces far and wide.

Swinburne offers a range of architecture-related courses. Two such courses are – The [Bachelor of Design \(Architecture\)](#) that focuses on building design, and students get to *tackle digital technology, environmental awareness, construction, practice, ethics, history and theory* as they gain skills for the future of architecture.

Selection into this course requires Units 3 and 4: a study score of at least 25 in English other than EAL or at least 30 in English (EAL) and an online digital portfolio.

The [Bachelor of Architectural Engineering](#) allows students to not only design the aesthetics of buildings, but also learn foundational engineering disciplines too.

➤ **New Bachelor of Laws/ Bachelor of Criminal Justice and Criminology**

New in 2020, the double degree in Law/Criminal Justice and Criminology will be offered. Currently the only one of its kind in Victoria, this 5-year degree offers the combination of an accredited law degree with a specialised education in the causes of crime (Criminology) and the fallout of crime (Criminal Justice). This course equips students with the advanced skills to solve complex legal problems in an increasingly complex society. A study score of 25 in English or 30 EAL is required, and an anticipated ATAR of 90.

Find out more about this course at [Law/Criminal Justice and Criminology](#)

THE MASTERS INSTITUTE OF CREATIVE EDUCATION

Bachelor of Fashion Business

Next intake: March 2020

Campus: Sydney and Melbourne

Duration: 3 years (study on-campus 2-3 days per week)

ATAR: minimum ATAR of 60

The Holmes Institute BFB is a specialist degree unlike anything else on offer in Australia. It includes elements of design theory but has a strong focus on the other career pathways within the fashion industry. It includes subjects such as marketing, product management, styling, buying, merchandising, sourcing and supply chain and more. The aim of this degree is to provide students a thorough grounding in a range of fashion-based careers, and ensure they are ready for the industry from the day they graduate, if not before.

Certificate IV, Diploma & Advanced Diploma in Fashion Design & Merchandising

Next intake: February 2020

Campus: Melbourne

Duration: 1 year Cert IV, 2 years Diploma, 3 years Advanced Diploma (study on-campus 3 days per week)

ATAR: no ATAR required, minimum grade 11 completed

Our fashion design streams are strongly focused on design and construction, with many of our students selected to showcase their collections at Melbourne Fashion Week. We are extremely proud to develop graduates with superior design and construction skill sets with many going on to establish their own successful labels.

Diploma of Screen & Media

Next intake: January 2020

Campus: Sydney and Melbourne

Duration: 1 year (study on-campus 3 days per week)

ATAR: no ATAR required, minimum grade 11 completed

This course will provide students with the foundation to work across a range of creative disciplines as a makeup design and special effects professional. In this course students will learn how to design, apply and remove makeup for a range of different applications, as well as special effects makeup and styling wigs and hair. Students will also learn how to work with prosthetics for specialist makeup effects.

During this practical and hands-on program you will have the opportunity to collaborate with other students in the hair and fashion departments, working on a number of events including runway shows, special events and professional photoshoots.

Diploma of Beauty

Next intake: January 2020

Campus: Melbourne

Duration: 1 year (study on-campus 3 days per week)

ATAR: no ATAR required, minimum grade 11 completed

This course is designed to teach students the necessary skills and knowledge required to become a professional beauty therapist. Students will learn to perform a variety of beauty services including facial treatments, body massage and treatments, hair removal, lash and brow treatments, nail and makeup services.

We also ensure that our students graduate as experts in skincare, with a thorough understanding of how nutrition and well-being can affect the skin and body. This includes confidence with clients to provide beauty advice, recommend beauty treatments and services, and sell retail skin-care and cosmetic products.

Certificate III and Certificate IV in Hairdressing

Next intake: monthly intakes

Campus: Melbourne

**Duration: 1 year FAST TRACK (study on-campus 2 days per week and 1 day salon) 3 years
APPRENTICESHIP (study on-campus 1 day per week)**

ATAR: no ATAR required, minimum grade 11 completed

Our hairdressing courses encourage students to explore their creative potential and grow their hair cutting, colouring and styling techniques, with the mentorship of industry leaders and salon experience to get them there. Students can take a traditional apprenticeship at their favourite salon and come to us one day per week, or take the plunge with our full time Fast-Track course where they will complete their apprenticeship with us at our salon, Salon T.M. in Toorak.

Certificate III and Certificate IV in Barbering

Next intake: monthly intakes

Campus: Melbourne

**Duration: 1 year FAST TRACK (study on-campus 2 days per week and 1 day salon) 3 years
APPRENTICESHIP (study on-campus 1 day per week)**

ATAR: no ATAR required, minimum grade 11 completed

Our Barbering courses equips students with the skills to perform a variety of barbering techniques both traditional and modern including clipper/scissor over-comb, taper, graduated and layered cutting styles. Upon completion of the course students will have the ability to confidently perform face and neck shaving, clipper carving/track works, trimming and styling of men's hair, beards and moustaches.
