

Get in to Mining

Field trip for High School Students

6th - 9th October 2025

The WA Mining Club, has developed a three and a half day camp for high school students in Years 10 to 12 to get a first-hand look at what the mining industry has to offer. Students will have the opportunity to rub shoulders with industry veterans whilst visiting some state-of-the-art facilities.

Day 1: Introduction and Travel

Students will meet at Redpath Mining and enjoy a site tour, before travelling to another site in Perth. Students will then travel to their accommodation.

Day 2 and 3: Site Visits

Students will visit a range of sites across the South-West Region. Each day will be followed by a review of the day's activities.

Day 4: Final Site Visit and Travel

Students will visit one final site before returning to Perth.

Successful applicants will be asked to lodge a \$200 bond to attend the camp. \$100 will be returned after completion of the camp. This will cover all attendance costs.

Students will need to organise transport to and from the specific meeting point.
