

Explorers Early Childhood Traineeship

Have you always enjoyed playing with children?

Do you want to make a real difference to their early development?

Would you like to be paid whilst getting your qualification?

Join our friendly team and study alongside other 17-24 year olds in a supportive environment - we are committed to helping you attain your qualification.

Being an Early Childhood Educator is one of the most rewarding jobs you can do. You have the opportunity to be a role model for young children as they learn key skills and reach developmental milestones.

In partnership with Selmar Education, we are launching a traineeship in Certificate III of Early Childhood.

About Explorers Early Learning:

Explorers Early Learning currently operates 10 childcare centres all around Melbourne, with further expansion planned over the next 24 months. We provide premium quality early learning and funded Kindergarten to the local community for children aged between 6 weeks to 6 years of age. We pride ourselves being experts in our field, distinguishing ourselves from our competitors by integrating the Reggio Emilia philosophy into everything we do.

We value our people and want to invest in their future. There will be opportunities for further professional development and promotion within the company – in fact two thirds of our management team have come from within our business!
