

October School Holidays

Here are 10 days of activities for the October holidays to enjoy with your children – please do share any photos with the #Emmauscc #libraryfun

Science!!
Cookie baking day – find a recipe and source all the ingredients for your child to assist you – explain the basics as you go :)

Print out [this list](#) and go on a nature hunt in your neighbourhood park. Read this [online picture book](#) together

6 October is World Smile Day! Print off these [ideas](#) for the day

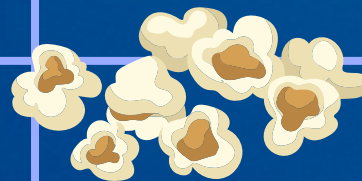

Dig out your old Yo-Yo – teach your child how to 'walk the dog' and research other tricks to keep them busy.

How many birds are in your backyard?? Time to start counting :) Follow [this link](#) to activities and quizzes about Australian birds in YOUR yard!

Online read alouds are fun and well organised by the [BookTrust](#) – please do check out the books first before letting your child read online

Make today a handwriting day! Print out some [practice sheets](#) to copy out their favourite passage from a book.

Popcorn!! Make some, get out your book and enjoy a cosy reading session

Teddy Bear's Picnic – take all your soft toys to the park, set up your snacks and read your favourite book to them. Watch them relax.

Read THE DOT with [this video](#) and create your own art – share your designs with your family – stay creative :)
