The Teen Brain With David Gillespie

Why screens are making your teenagers depressed, anxious and prone to lifelong addictive illnesses – and how to stop it now. David Gillespie is one of Australia's most trusted non-fiction authors.

Many parents are starting to feel a deep sense of unease at the amount of time their kids spend on devices. David will detail how complicated a teenage brain is and discuss how to set out clear, reasonable and effective rules to help you confidently manage your kids' use of screens at a critical point in their lives.
