## Camp Australia Brookside P9 College, Caroline Springs OSHC – September Newsletter

### Dear Brookside Families

As we approach the end of Term 3, we're excited to announce that our Spring Holiday Program, Rocketeers, is just around the corner! We've been busy planning an amazing line-up of activities that promise to make this holiday break both fun and memorable for your children.

### What's Been Happening

Our "Let's Get Cooking" theme has been a huge hit with the kids this term! They had a blast exploring a variety of cooking experiences, from crafting their own pizzas and bliss balls to making rice bubble bars, smashed avocado delights, and Aussie fairy toast. And let's not forget the fun of making playdough!

During our taste-testing sessions, we took a poll with thumbs up and down to gauge the children's preferences. It's been great to see their excitement and hear their feedback on what they'd like to see included in our weekly menu.

### Celebrating 30 Years of Camp Australia

This week, we proudly celebrated the 30th Anniversary of Camp Australia—your OSHC. We want to extend our heartfelt gratitude to all the children, families, and school communities who have been a part of our incredible journey. We're thrilled to welcome new families into our extended Brookside family!

Over the past three decades, we've built meaningful connections with over 475,000 children and become a cherished part of more than 1,800 school communities. This deep sense of connection fuels our mission to create joyful, enriching experiences for every child, every day, through the magic of play, engaging learning, and shared experiences.
