Soccer Clinic - Registrations Now Open for TERM 2 (2017)

Learn soccer, play games, make new friends, and get fit while having a LOT OF FUN in a safe environment at the Oz SoccerPro Academy.

Our "MINI ROOS" (ages 5 to under 9 years) program is designed for boys and girls. We make learning soccer a fun and exciting experience with lots of practise games aimed at building skill and a love for the game. For young players (9+ and under 14years) we focus on core technical skill development like Striking the ball, First Touch, 1v1 and Running with the ball.

All our training sessions are carefully structured based on the FFA National Football Curriculum. Our unique Oz SoccerPro training methodology helps achieve the correct balance between the technical, physical, and game components per the age and stage of development of each player.
