➤ **Deakin University – Deakin Accelerate**

Deakin Accelerate is a distinctive VCE higher education program that allows students to study two first-year university subjects during Year 12. Studying one subject per trimester, this selective program gives students a head-start into university studies and also provides a potential boost to their all-important ATAR score.

Besides the challenge of taking on a university subject, this subject will also count as part of the VCE and contribute towards the ATAR as the fifth or sixth subject. There are no tuition fees for Deakin Accelerate.

Find out more, including the subjects on offer, at [Deakin Accelerate](#)

➤ **Federation University – Advance to University**

Advance to University is an opportunity for Year 12 students to study first year university units as part of their VCE. Successful completion of these units may contribute towards the ATAR, and students get credit towards their university degree. There are no fees for Advance to University.

Find out more, including subjects on offer, at [Advance to University](#)

➤ **La Trobe University – Achieve and Achieve Plus Programs**

Achieve is an opportunity for high achieving Year 12 VCE students to complete a university subject in either the first or second semester in their Year 12 and have them recognised as part of their VCE.

Achieve Plus is an opportunity for high achieving Year 12 VCE students to complete a pair of first-year university subjects – one in each semester – in their Year 12 and have them recognised as part of their VCE.

Both programs are offered at all La Trobe campuses and subjects are delivered online, face-to-face, or a combination of both. There are also no fees associated with these Programs.

Find out more, including the subjects on offer at [Achieve and Achieve Plus Programs](#).

➤ **RMIT University – VCE Extension**

RMIT's VCE Extension allows Year 12 students to undertake university subjects while completing their VCE. These courses are VCAA-accredited towards VCE results and students may be eligible for credit in a related RMIT program.

Students will get a taste of university life; they attend lectures and study on campus with full access to all the services and facilities enjoyed by RMIT students. **VCE Extension** subjects are taught at the City campus and are counted towards students VCE and provide a boost to their ATAR. RMIT charges no fees for RMIT Extension courses.

➤ **University of Melbourne – Extension Program**

The **Extension Program** is an opportunity for high achieving Year 12 students to study a university subject whilst at school which counts towards their ATAR, as well as experience university life. The University of Melbourne does not charge any fees for participation in the Extension Program.

However, some School Centres where an Extension subject is taught may charge a reasonable fee to cover teaching and administrative costs.

Australian Jobs gives an overview of trends in the Australian labour market. It is designed to support students, career advisers, job seekers, those considering future training and work and people interested in labour market issues. The COVID-19 pandemic has had a significant impact on the labour market and there is now more competition for jobs. It is more important than ever to understand what employers are looking for and to understand the labour market students hope to move into.

TUCKWELL
SCHOLARSHIP

Australian National University (ANU) launched the **Tuckwell Scholarship Program** in 2013. *The Tuckwell Scholarship Program at the ANU is the most transformational undergraduate scholarship program in Australia.* A Tuckwell is not just about a students' intellect. It is also about their desire and determination to use their natural abilities to realise their full potential so that they can make a difference in the world. All up one could say, **this is no ordinary scholarship!**

So, Tuckwell Scholar students will receive:

- \$22,350 per annum (2021 rate) (increasing with inflation) for each year of the length of their undergraduate degree, to cover on-campus residential costs, books, and general living expenses
- priority access guaranteed to ANU-approved student accommodation
- an annual allowance of up to \$2,000 to assist with their move to Canberra and to support two annual return journeys (e.g., airfares) between their home and the University for each year of their degree. The allowance will be dependent on the proximity of their family home to ANU.
- an allowance to help cover the transport costs for your parents to attend Commencement Weekend at the start of the program, and
- an [ANU Sports Centre membership](#) for the length of their degree.

Scholarships are awarded based on four criteria:

- academic potential and achievements to date;
- other significant achievements to date, of any type;
- demonstration of the [Attributes of a Tuckwell Scholar](#); and
- a [desire to eventually give back to Australia](#).

Applying for a Tuckwell Scholarship is a three-stage process which commences with an initial application from yourself and a recommendation from a schoolteacher. Applications will begin in March 2022.
