OUR VISION

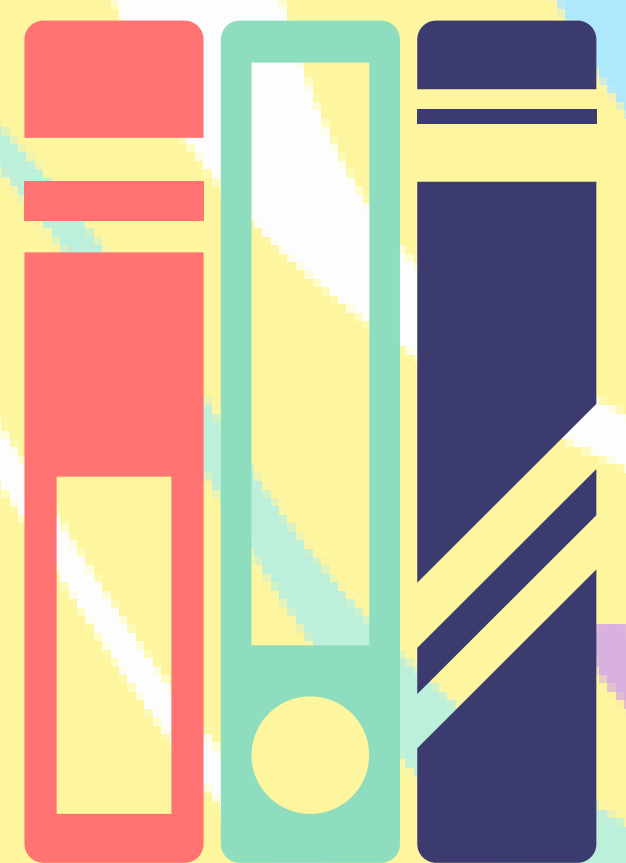

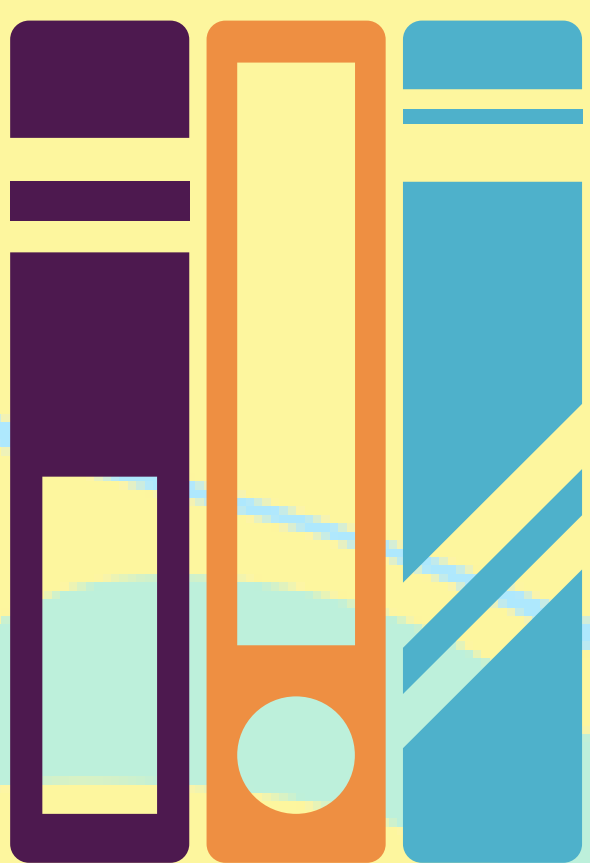

Our vision is for all students to have equal access to quality education, empowering them to achieve their academic potential.

OUR MISSION

Our mission is to provide free accessible education to disadvantaged students of low socioeconomic backgrounds, rural and remote locations.

OUR PROGRAM

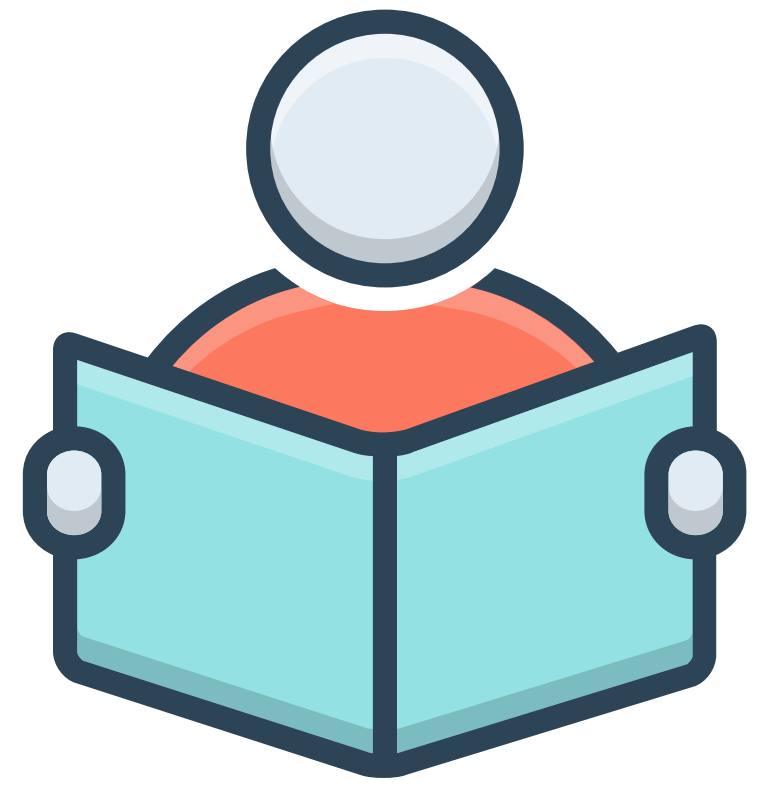

WHAT IT INVOLVES:

- ➔ Weekly classes for a specific VCE 3&4 subject throughout the year.
- ➔ Classes will focus on teaching concepts and practice questions. However, if students have any questions our tutors will be able to help both during and outside of class.
- ➔ Classes will be delivered online via Zoom and will be recorded so students can later review any difficult concepts.
- ➔ Best of all, it is absolutely free!

SUBJECTS

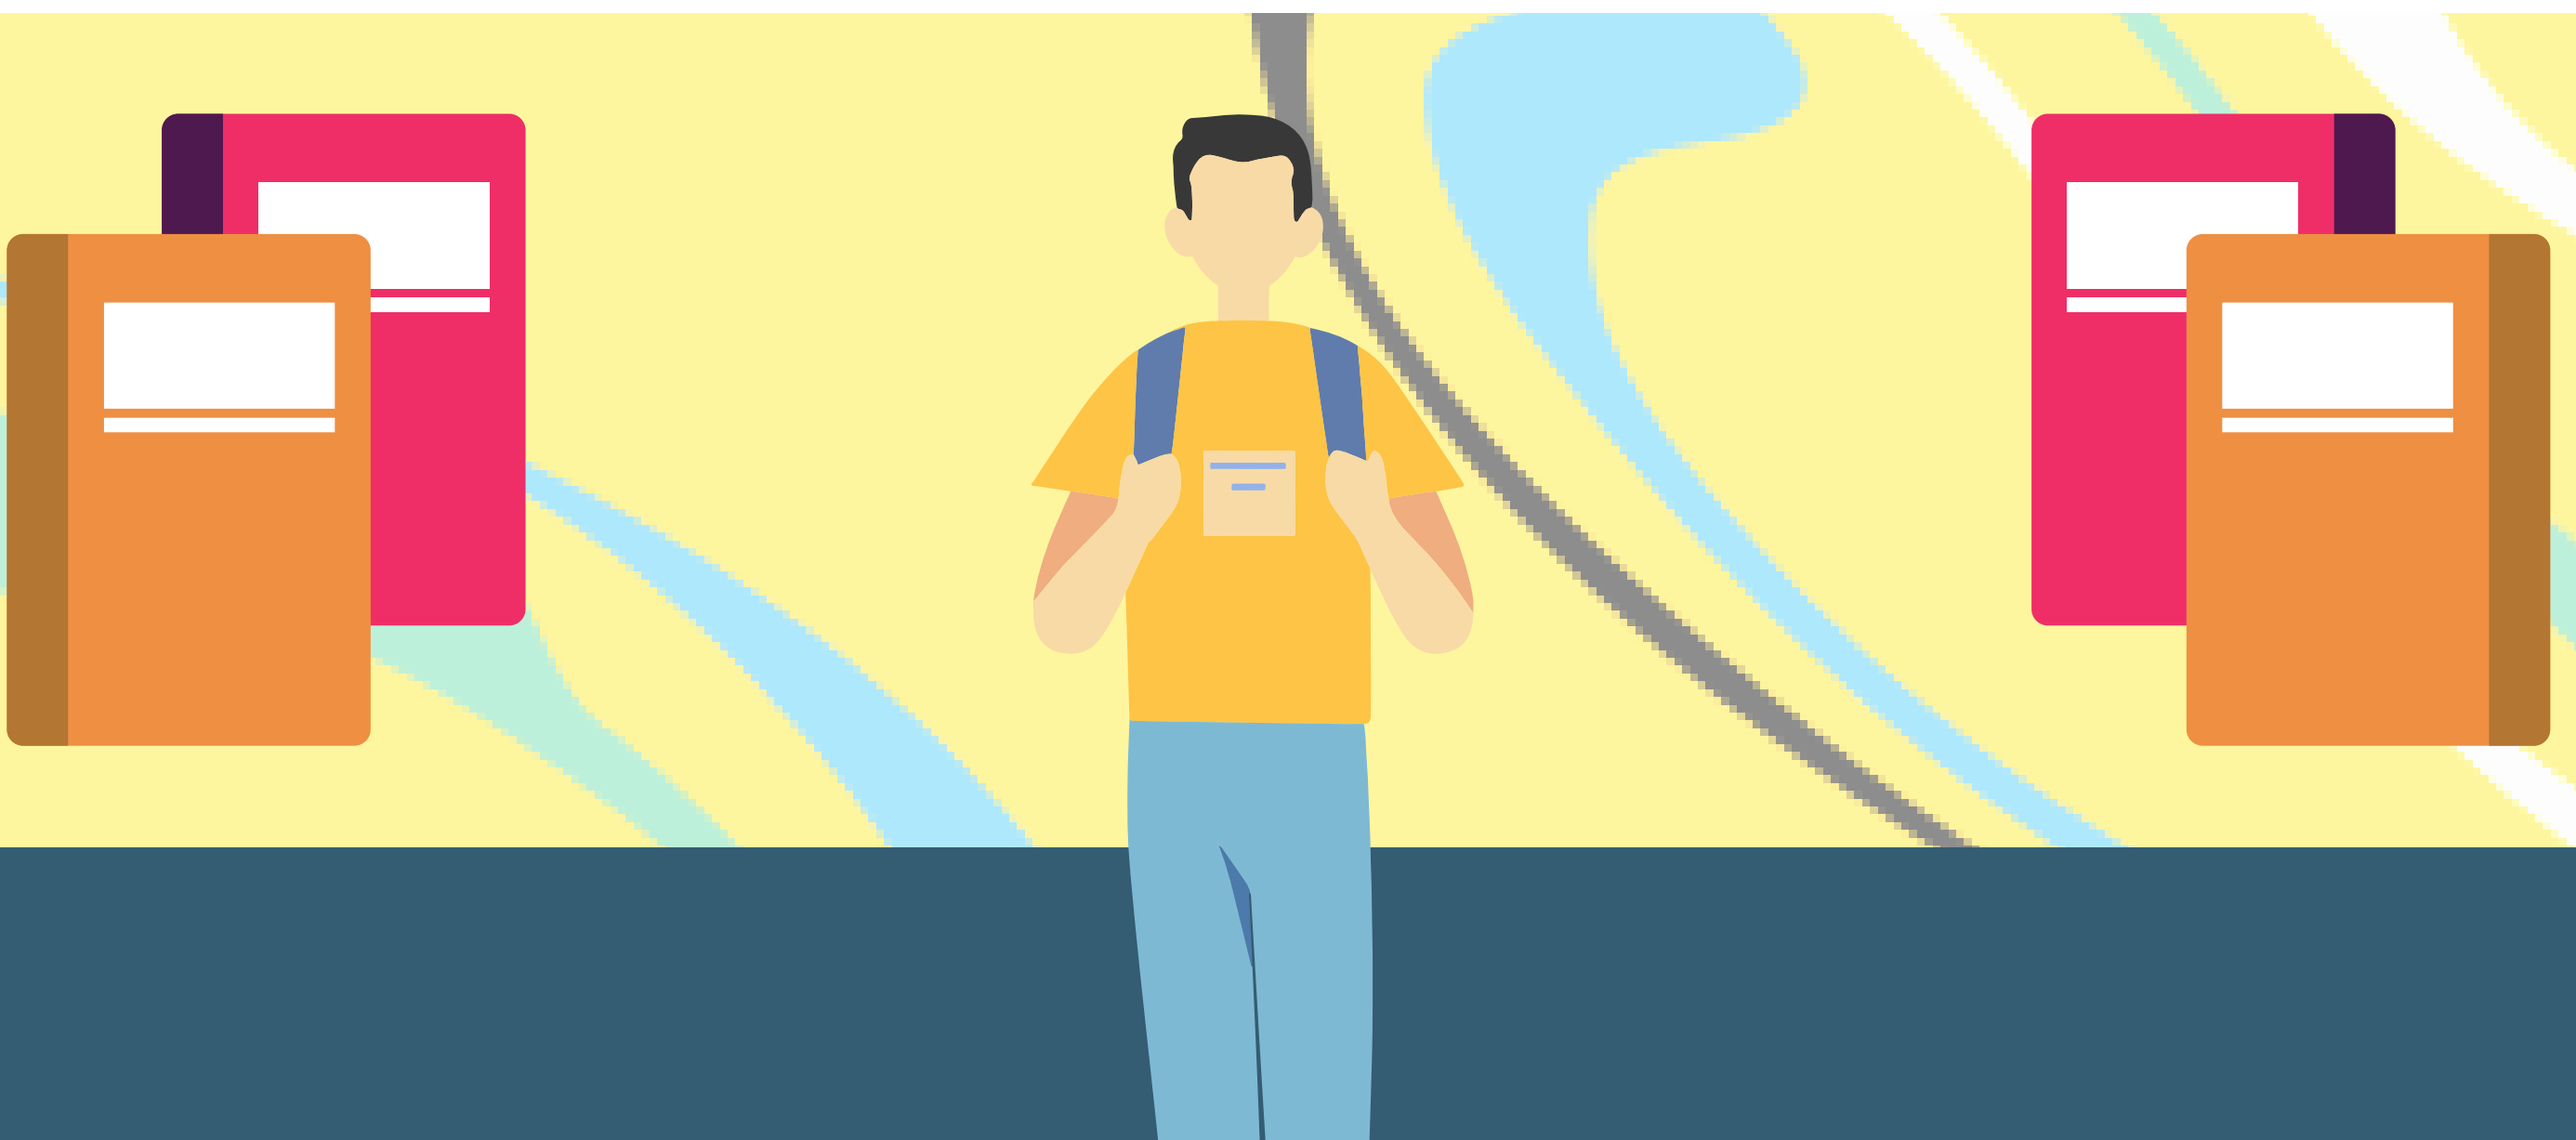

Our amazing group of volunteer tutors consists of medical students and recently graduated students who have achieved 40+ study scores for their respective subjects.

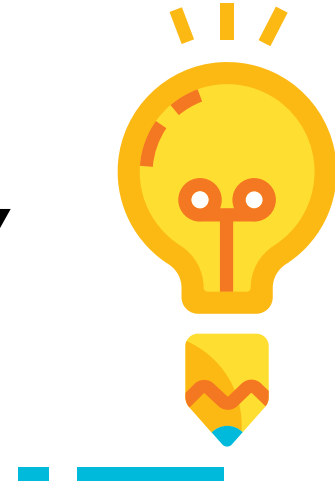

SUBJECTS WE OFFER:

- English 3/4
- English Language 3/4
- Further Maths 3/4
- Maths Methods 3/4
- Specialist Maths 3/4
- Economics 3/4
- Software Development 3/4
- Business Management 3/4
- Physical Education 3/4
- Chemistry 3/4
- Biology 3/4
- Physics 3/4
- Accounting 3/4

**If there are any subjects not mentioned above, we may still be able to provide classes depending on the number of students who show interest.*

ELIGIBILITY

We consider students of varying backgrounds which include one of the following:

- **Living in rural areas**
- **Having financial difficulties**
- **New immigrants**
- **Refugees**
- **Other disadvantages to learning**
