Biketober Merri-bek

The National Bike Challenge is back

Are you ready to ride your bike in a fun competition, win prizes and help your workplace top the leaderboards?

This October, hop on your bike to celebrate and promote the countless benefits that bike riding can bring. Ride as an individual or join your workplace to compete against companies both locally and around the world.

Taking part is simple:

- **Everyone can join in!** From regular riders to people who haven't been on a bike in years (or ever).
- **Ride anywhere, any time** during October. You only need to ride for ten minutes to start earning points and help your workplace climb the leaderboard.
- **Make your community better for biking** - provide feedback to local planners by using Rate My Routes in the Love to Ride app.
- **Share the love** - encouragement is at the core of Biketober and we want people to invite their co-workers, friends and family to take part.
- **Win amazing prizes** by participating and encouraging others to discover or rediscover riding.
- **Get your first year of RACV Bike Assist for free!**
It's like roadside assist for your bike with 8 call outs a year Victoria-wide, 24/7 assistance so you can ride with peace of mind.
