

HOMWORK EXPECTATIONS:

WEEKLY TASKS:

Each week, students will have a selection of tasks to complete as homework. There is an **Inquiry** focus, a **Maths** focus and an **English** focus.

INQUIRY:

This term's Inquiry homework is based on researching the human body.

What you need to include in your presentation.

- **heading, border and picture**
- **why you selected this particular topic**
- **show that you have researched the topic**

Your summary may be in dot point form or sentence form.

It is important that it is written in your **own words**, NOT THE BOOK WAY!!!

Include a mix of hand drawn and printed diagrams.

MATHS:

Each week we will identify the times tables that you need to practice. You need to write them out a few times (practise makes perfect). We have included a times tables chart at the back of this folder.

ENGLISH:

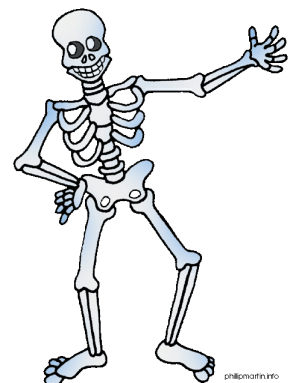

Reading - ensure you are reading regularly, preferably on a daily basis. You can record your reading pages on the Reading Log.

Spelling - **Select 5** words from your personal writing for you to focus on each week. Complete LSCWC on each word, place in sentences and find the dictionary meaning for each word. Complete a spelling test with your chosen words.

RESOURCES:

Within your homework folder we have included:

- Weekly Homework Expectations (this booklet)
- Homework Pass (1 per term can be used)
- Reading Log (record read pages)
- Spelling test pages
- Plain lined pages
- Times table chart
