SAFARI WEEK

Safari Week at TheirCare was an adventure-filled journey into the wild! Children explored nature through games, crafts, and educational activities. From animal encounters to jungle-themed adventures, it was a week of discovery and excitement, creating lasting memories for all.

If you have any feedback or suggestions please do not hesitate to reach out as we are always open to new ideas! This week, our menu was created collaboratively with our children and we came up with a very delicious selection! The students also enjoy a great selection of healthy fruits and vegetables! Our weekly menu follows Nutrition Australia's guidelines and is created with the children and parents. All cultural needs are considered. Any dietary requirements are to be discussed with the program coordinator

2IC JOKE OF THE WEEK: why was the math book sad? Because it had too many problems!
