Around the Grounds

6A

Great performance from the 6As. After a tough Round 1 loss against Iona the boys travelled to Somerfields to take on Ambrose Treacy College determined to keep their AIC Championship hopes alive

With a change in formation, the team started strongly, scoring three early goals to take a commanding lead into halftime. The boys showed excellent link-up play in attack along with strong defensive resilience throughout the first half.

The second half began in similar fashion, with the team extending the lead to 4-0 with 15 minutes remaining. However, after a brief lapse in concentration, Ambrose Treacy scored three quick goals to bring the game back to 4-3 with just five minutes left. Regaining control of the match, the boys responded brilliantly and sealed the win with a fifth goal late in the game.

Overall, it was a fantastic display of the team's improvement throughout the week, highlighted by excellent teamwork and standout individual performances, particularly from strikers Jimmy and Liam.

6B

A 7:45am meet time at St Peter's is never easy for anyone.

It showed in the warm up with the boys looking tired and cold. Nevertheless the boys pushed forward. Knowing they were playing an As team the boys were eager to show their worth. Playing some excellent football, looking like they were just playing with their foot at point.

An early goal to Raphael started the onslaught followed by Ryan and Riki soon after. Taking a commanding 3-0 lead into half time. The boys knew they were in control. Switching positions around at half. St Peter's came out with a new attitude putting one in the net. The boys didn't lose their cool, with Raphael netting another two goals to complete his hat trick.

Overall, the boys didn't disappoint but know there is plenty to work on for the games coming.

6C

It was a dominant performance from the boys this week, resulting in a commanding 10-1 victory.

The first half was a masterclass in finishing and pressing. Lachie opened the scoring by calmly placing a through ball past the keeper. While ATC managed to equalise briefly with a lofted ball of their own, our team responded with six unanswered goals before the break. Cameron was instrumental during this surge, netting twice, once from a brilliant Lachie through ball and again by intercepting a goal kick. Lachie also added a spectacular solo effort, while Fletcher and Noah showed great awareness and footwork to keep the scoreboard ticking over with three more goals between them, leaving us with a 7-1 lead at halftime.

The momentum continued into the second half as the team stayed sharp and hungry for more. Fletcher completed an impressive outing by finding the bottom corner, further punishing the opposition's defence. To round out the scoring, Liam and Joe both showcased their range, each striking beautifully placed long-range shots that left the keeper with no chance. It was a fantastic

team effort characterised by smart interceptions and creative passing, giving the parents plenty to cheer about from the sidelines.

This week's MOTM is Fletcher, who put in good performances across stints in defence, midfield and attack; producing incisive tackles, good passes, goals and an assist.

Well done to all of the boys on the a great team performance!

6D

The 6Ds delivered a masterclass on the pitch this week, securing a dominant 14-0 victory built on on strong teamwork and relentless energy.

The boys set the tone immediately, with Henry finding the net in the first minute and eventually racking up an impressive six goals across the match, including an early first-half hat-trick. Ryan was equally relentless, pouncing on goal kicks and showcasing his range with a lovely outside of the foot' beauty and a clever lofted finish to claim four goals of his own.

Harvey and Harry rounded out the scoring, with Harvey's aggressive pressing leading to two goals and Harry twice weaving through the opposition to power home impressive solo efforts.

Even with the woodwork denying several more shots in the second half, it was a brilliant collective effort that highlighted the team's dangerous pressing and sharp teamwork. Well done to the boys who all played exceptionally.

This week's MOTM is Henry Tracey, whose relentless pursuit lifted the whole team's performance.

6 Blue

It was a loss for the young men of the 6 Blue football team today in a game that was much closer than the scoreline line reflected.

Down one-nil at halftime we lost our way a little bit in defence in the second half allowing a number of scoring opportunities for the opposition who took full advantage.

Man of the match Harry Bray was awesome in goal with a number of great diving saves. Fellow man of the match Iggy Tognini was dogged in defence in the first half causing problems for the opposition attack and relishing the opportunity for a run in the second. And Seb Smythe and Harrison O'Toole also played well, both winning several 1-on-1 contests in the midfield.

We know you were disappointed, but it was a good game today lads ... we just need to keep working on holding our position when in attack and not just following the ball, and protecting our keeper more in defence.

6 Gold

The 6 Gold boys put in a spirited performance, showing plenty of fight despite an unlucky result on the scoreboard.

Eamon Conroy was outstanding in defence, dominating the backline with fearless shot blocking and countless crucial interventions that kept the team in the contest. Although a few unfortunate

moments led to goals conceded, the effort and intensity never dropped.

Up front, Carter Sorbie and Case Purcell constantly threatened the opposition defence with promising runs, sharp movement and several dangerous shots on goal. Their attacking pressure created exciting opportunities throughout the match and showed just how much potential this side has moving forward this season.

5A

5B

Marist came out firing against St. Peter's, with an early hat-trick from Cooper Briggs setting the tone for the game. The boys stayed dominant throughout the first half to take a 15-0 lead into the break, before continuing the pressure in the second half to finish with an impressive 29-0 victory.

5C

5D

The boys put up a strong effort with only 9 men, working hard for each other especially in defence.

The first half was a back-and-forth contest, managing to hold Padua to nil until the final moments before the whistle.

We started the second half motivated, controlling the ball and levelling up the scores.

Unfortunately, it didn't take long for Padua to answer, scoring another goal and taking the lead.

From there, the game returned to a contest with a few unconverted chances from both sides.

Ending in a close defeat, 2-1 to Padua

5 Blue

5 Gold

On Saturday, the 5 Gold boys were determined to secure a win against Villa and achieved their aim with an impressive 4-1 victory. The team displayed greater intensity across both attack and defence which played a key role in the result.

Man of the Match honours went to Tom McKenzie for his consistent defensive effort, making crucial clearances to gain valuable field position and set the team up for success. Special mention to Jack Hallo and Charlie Carter for scoring two goals each, Tom Quinn for his composure under pressure in the goalkeeper role, and Archie Lawrie for his strong leadership in organising the defence.

At training, we will continue to focus on effective clearances and work to develop strategies that lead to scoring opportunities.

Well done, boys!

5 White

5 Green started off the match particularly well pressuring the Villa 5D team on many occasions and took the lead midway through the first half. Villa fought back and pounced on an opportunity to level the scores at half time.

Though the Marist team showed great team work and had multiple shots on goal they could not find the back of the net and were repelled on many occasions.

Contrary to that the Villa team had a few opportunities and capitalised on them scoring 3 second half goals.

A great effort by the boys and a pat on the back to Levi Price, Henry Burton and James Pointing on great games.
