

November 2025

Dear Parent/Guardian,

Baimbridge College is looking forward to another great year of teaching and learning and would like to advise you of *Baimbridge College's* voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary.

Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through financially supporting or volunteering. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to develop the successful Year 7 & 8 Hub programs, extensive opportunities in the middle year's programs, the wider offering of subjects, special curriculum experiences, VET Certificates and enhanced digital learning opportunities.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Warwick Price
