

Are you a student considering a medical career?

St John of God Midland Public and Private Hospitals and Curtin University, invite students from Years 10 and up to join us at our medical careers information session.

Enjoy a relaxed evening where you will have the opportunity to:

- Hear from experienced consultants, recently graduated junior doctors & medical students
- The admissions team from Curtin Medical School will be able to answer your questions on training pathways.

Topics will include: meeting the entry criteria for Curtin Medical School (required marks, interviews, portfolios, UCAT etc.), life of a medical student, the role of a junior doctor and then specialist (including GP) practice. Followed by a Q&A to answer all your questions!
