

NGV Excursion

The theme for reconciliation week was “Be Brave, Make Change.’ On May 31, the Year Fives went to the National Gallery of Victoria and explored Australian artwork. We did many fun things, including drawing a time we or someone who has been brave. We were also lucky enough to be part of a hip-hop dance by Aboriginal artists. When we explored the artworks we saw Hermannsburg potter art and many self-portraits of talented artists and famous people. We also saw some sculptures and Shields used by aboriginals.

Near the end of the day, we went to a big room with Herne Hill and some IOP (Indigenous outreach program) people came in to show us some dances. They performed skilfully and one of them Vibrated like a robot (It was really cool). Also one of the dancers did a backflip down about 5 steps (somehow?).

It was a great day and we learned many new things. We would like to thank all the teachers, especially Mrs. Fisher for organising it and taking us there.
