

2026 SCHOOL IMMUNISATION PROGRAM – YEAR 10 (15-16 years of age)

Year 10 students (or age equivalent) are due for one vaccination on the National Immunisation Program:

- Meningococcal ACWY

This vaccination is provided free at school by Latrobe City Council under the National Immunisation Program and is recommended by the Department of Health. Immunisation can protect your child from serious diseases now and later in life.

Immunisation day at Lowanna College: 26 March 2026

What if my child is absent on immunisation day at school?

You will receive a follow up email and/or text advising of your child's absence, and they can be caught up at any Latrobe City Council Community Immunisation Session, appointments made online: www.latrobe.vic.gov.au/immu. You may also make an appointment at a GP clinic.

My child missed their Year 7 vaccinations, can they be caught up at school as well?

Yes, your child can receive missed Year 7 vaccinations with their scheduled Year 10 vaccination. Please contact the Immunisation Team via email or phone (details on next page) to organise.

I would like my child to have these vaccinations, but not at school.

Where can I go?

Your child can receive their recommended Year 10 vaccinations at any Latrobe City Council Community Immunisation Session, appointments made online: www.latrobe.vic.gov.au/immu or you may make an appointment at a GP clinic.
