

Camp Recount

When we arrived at school I was really excited because today was the day of CAMP. On the bus I sat next to my bestie westie Silly G and we played "trouble" but got distracted and forgot to keep playing. On the way we stopped at Melton and had to play at the amazing playground. Then we stopped at the Eureka Centre and split up into groups to do activities and to learn about the history of Eureka. When we arrived there we went on a mine tour and to the lolly shop and then had dinner which was curry and naan bread and a brownie. We then found out our cabins which in mine were Sophia, Lucy C, Tilly, Fern, Mila, Pippa, Lillie D, Sainey and Shakked. We then went to the AVRA sound and light show which consisted of a 3D movie, a show over the lake and another part with a big screens which opened to reveal a show with actual props.

For breakfast in the morning we had toast and cereal, then we headed to our allocated schools and got dressed in our really fancy clothes and did some learning. After school we had dinner which was pasta, bread roll and cheesecake. The next day we got dressed and went to school and whilst we were at school we went to see a gold pour. Some people got to hold the gold bar and they described it as lumpy, shiny, and heavy. After school we quickly went back to the lolly shop, candle shop and lots of other shops. On the bus I sat next to bestie Sophia and we got back around 6:00.

Over all I LOVED camp and I also loved going to school, it was so much fun and I really, really, REALLY want to go back!!!!!!
