- Please make sure your child has had their evening meal before the concert. - **Costume Organisation** - Students will practice on Thursday in their costumes. After our rehearsal (on the day of the concert), children will be bringing their costumes home. There are no change rooms at the venue so children are required to wear their costume to the concert.
- It would be great if the calico costume bag could be returned to school ASAP, so bags can be reused next year. Any further queries please contact the school.

Collection of children after the concert

At the end of the concert, children will be seated in their school group. Please allow time for this. Once all children are seated with their group, they will be able to be collected by their parents.

Teachers will be supervising this, so make sure you let them know you've taken your child.
