Open Hockey 4-2 win

Our Open Hockey team won 4-2; goals coming two apiece for Jacob Anderson and Nick Keir. The boys combined well for their first game together and Cooper Thomas had a great game for his first time in the pads. It was 1-0 to us at half time so all the action happened in the second half, we were always on top though. On to Eddie's next week at the State Hockey Centre. Unfortunately, I don't think there's going to be any easy games this season.
