Part time work that makes a real difference

Make a meaningful impact by helping older people in your community to live safely and confidently in their own homes. You will provide general cleaning duties such as mopping, vacuuming, cleaning bathrooms and other various light household duties to multiple clients daily.

Become a Support Worker (without an Aged Care Certificate) and you will enjoy:

- Competitive pay aligned with industry standards, plus paid travel time and kilometre reimbursement between client visits
- Building a regular roster of regular clients for a more meaningful work experience
- Comprehensive paid induction, ongoing training and professional development opportunities
- The stability, strong conditions, and protections of a government role.
