

TARNEIT P-9 COLLEGE

Dear Parents and Carers,

Congratulations, we have arrived at the end of a school term that none of us would ever have imagined possible. We thank you again for your ongoing support, transitioning from remote and flexible learning and then returning to onsite schooling.

I am proud of all our students and teachers, for demonstrating ongoing resilience, and support towards our College response to the pandemic whilst keeping our focus on learning.

In the classrooms, our students have adjusted to the 'new normal' through a variety of ways, such as making regular hand sanitising part of their daily practice and walking independently to their classroom in line with our staggered start and finish times.

I am immensely grateful for all the hard work from our teachers, students, and their families, we could not have done this without you.

This term has challenged all of us in multiple ways, and many of our students will be feeling more tired than usual. It is time now to encourage your children to take a break, a break from screen time, and spend time engaging with their family and friends.

I wish you all a safe, restful and happy holiday break, and look forward to working with you all again in Term 3.

Kind Regards,

Rily Dorgan,
Assistant Principal, Years 2-3
