

Holy Trinity School Inverell Uniform Shop

Custom Made Orders (CMU)

Dear Parents and Carers,

At Alinta we want every student to feel comfortable and confident in their uniform. While Alinta provides a comprehensive standard size range, we offer a Custom Made Order (CMU) service for students who require sizing outside of our standard options (smaller, larger, or additional length).

Please Note: our CMU service does not include hemming or minor alterations

The standard lead time for a CMU garment is **approximately 3 months**. Because these garments are made to order, please plan ahead! We recommend booking your fitting as early as possible to ensure your child is ready for the start of the school year or seasonal uniform changes (especially ahead of Winter).

Important Notes regarding our CMU service:

- All CMU orders incur a custom manufacturing fee. This varies depending on the specific garment and requirements.
- As these items are made to unique specifications, CMU orders are non-refundable, and we cannot offer exchanges.
- Please note this service is for custom manufacturing; it does not include minor alterations or hemming of standard stock.

To ensure a perfect fit, all CMU measurements must be taken in-store by our professional staff before an order is placed. Please see below of what measurements may need to be taken:

A. Chest Circumference

Measure the widest part around the chest (underarm pits)

B. Waist Circumference

Measure the smallest part of the waist

C. Hip Circumference

Measure the widest part of the hips

D. CB Length

Measure the centre back neck to length of dress

E. CB to Waist

Measure the centre back neck to waist

F. Skirt/ Shorts Length

Measure from waist to knees (for skirt/ shorts length)

G. CB Sleeve

Measure the centre of back of neck to the wrist (bent arm)

H. Outer Leg (Pants/ Trousers)

Measure the waist to the finished length (from where the garment is worn)

If you believe a CMU garment may be necessary, we recommend booking a fitting today. This allows our team to confirm requirements early, guaranteeing your child has the correct uniform from day one.

Warm regards,
