

PARENTS & FRIENDS COMMITTEE NEWSLETTER
FEBRUARY 2025

Welcome to our first P & F newsletter for 2025!

We hope everyone has had a smooth transition back into school life and that the Foundation students are settling in nicely.

Jaz & I (Tash) are proud to be your P & F co-presidents and look forward to bringing lots of fun events and ideas to the school to help grow that sense of community we all love.

Jaz has a child in Foundation and I have one in Grade 5, so if you need to grab us, looking near those classrooms would be the best bet.

Otherwise, feel free to send us an email via the address in the contact section.

WHAT DO WE DO?

- Fundraise for the “extras” that parents would like for the school- the things the department of education don’t cover. For example, the artificial running track & soccer field was bought with the help of the p & f.
- Organise social events for students and parents
- Supports the school in whatever way is needed.

You don’t need to be able to attend every meeting, volunteer at every event or spend lots of money; there are lots of things you can do:

- come to as many (or few) meetings as you can.
- share the word when volunteers are needed.
- read the school's newsletter- there are lots of things coming up that you can help with
- attend P & F events- many will have no charge, or a small fee.
- have an idea? email it to us- we can't do everything, but maybe it's something we haven't thought of before.
- have a special skill & are happy to teach it to others? Let us know.

Thank
YOU

HUGE congratulations to Candice M & Jess O, our outgoing P & F co-presidents for their amazing work last year. Their leadership saw the P & F raise a whopping

64 K

for the school! Such an amazing effort; thank you to them and everyone who supported them last year. Whether you volunteered, made items to sell or simply bought tickets, chocolate or sent money to school for stalls, it all helps. THANK YOU!

Along with the huge amount raised last year, anything we raise this year is going to assist the school in upgrading the outdoor basketball court once the new gym is complete.

As well as the court, there will be shade sails erected, which will be great for those hot days! Below is an example of what we are aiming for- the final product will be adjusted to suit the school's needs and space available.

OUR AIM FOR 2025 IS TO RAISE \$50 000

Current Fundraisers

BAY ROAD BAKERY

DATES FOR TERM 1:

19TH FEBRUARY
5TH MARCH
19TH MARCH
2ND APRIL
