About the Program

Learning for Life is designed to offer parents practical support and insight into play-based learning, to build connections between families and young children and to support each child to begin their individual learning journey.

The program is filled with play-based learning experiences, exploration and storytelling.

The weekly sessions include gross motor, fine motor, sensory, imaginative experiences, as well as activities including song and dance, story-time, art, craft, drama and movement, outdoor play, bikes, ball games, themed sessions and water play activities.

For easy parking we recommend the Wrest Point Casino car-park.
