## Around the Grounds

### 6A

The boys fought out a tough game with St Laurence's, in which they narrowly lost. Despite having the ball in our half for the majority of the game, we were unable to make it count on the scoreboard. Cooper Donaghy's skills were on full display, as he managed to evade 3 Laurie's defenders before launching a 20 metre bomb at goal.

### 6B

The 6Bs unfortunately got taught a big lesson today with a score line of 73-1. Even though the boys were losing by a few goals in the first half, they were still holding on with the score being 28-1. However, with no one left on the bench, and Villa stepping it up, the boys couldn't keep up. Abe Patricks and Ethan Moody got a few hard hits their way during the game but kept going. The two of them really stood up for today's game.

### 6C

Another strong performance for the 6C boys with a win over St Laurence's College, 67-12. A great team effort kept SLC scoreless for three quarters, only allowing them two scoring opportunities. The team is playing like a well-oiled machine, looking more unstoppable on each week.

**5A**

An undermanned Marist side chasing their second win of the season took on a very strong SLC. Special mention to Gabe Matthews and Will Minihan who came straight from the Bs game to help the As try get over the line. Unfortunately, SLC were too strong, locking down our attack down across the 4 quarters. The boys tried hard with limited substitutions and hot conditions but were unable to generate any attack. With only a few games to go, the boys should be looking to finish the season with a couple of wins.

**5B**

Villa started very strong out of the gates, kicking three unanswered goals, and looked to hold their dominance throughout the game, however we fought back by holding them to just 2 points in the second quarter and only allowing one goal in the third. However, we failed to capitalise on our great defence by missing set shots and failing to convert in our attacking zone. We came out flying in the fourth quarter, kicking three goals in the opening minutes of the quarter to tie the game but Villanova showed their discipline by not allowing the ball to get behind their midfield and putting pressure on our backs, eventually leading to their three-goal victory.

The boys put their loss last week to the side and absolutely dominated St. Laurie's! Hard tackling. Effective handballs. And great team spirit. The boys played their hearts out and were well rewarded for their effort! Total domination and the best was their great sportsmanship!
