

In the GOSPEL TODAY

Standing up for God!

Jesus goes to the Temple, a very special and holy place, to worship God and pray. He is very cross to see it being used as market. Jesus does not want God's house to be turned into a shopping centre.

- In church I sing
- I listen to stories about Jesus
- I say prayers
- Babies and adults are baptised here

Draw lines matching the actions to the pictures.

My home is a special place

Draw the place where you live in this garden. Then draw the people and things that make your home special.

In church we find...

ALTAR, GOD, PEW, CANDLE, BREAD, WINE, BIBLE

A PRAYER TO SAY

You were cross, Jesus, when you saw people mistreating God's house. Help me to respect and look after the people and places which I know are special. Amen.
