#### **SNESA TREBLE CREATES HISTORY AND SETS UP THE FUTURE!**

For the first time in its history, three senior SNESA teams achieved victory on the same weekend. In their first home game of the year, over 300 people throughout the day saw the reserves and league teams have convincing wins over Cottesloe, before the thirds team brought it home with a monster win over North Beach.

To launch their first home game of 2019, SNESA welcomed their strong crowd of supporters with a SNESA Family Fun Day which saw the introduction of the SNESA Kids room, which was a great success with all the kids and parents.

#### **POST BYE SNESA DOUBLE SETS UP QUALITY LADIES DAY CLASHES WITH RIVALS**

The Reserves and League sides remain undefeated with both teams managing wins away against Mosman Park at Tom Perrot Reserve. The Reserves got off to a flyer thanks to the work of the wizard Kyle Mitsopoulos who had 5 goals to halftime. Some quality body work up forward from Wilson and Josh Catalano gave the Saints plenty of options to maximise their opportunity.

In the league game it was a bright start in terms of tackling, forward entries which nearly set the Saints up for another comfortable day. However, Mosman Park managed to win back some time with the football in the second quarter to allow them to get within 2 goals at half time. The second half was well executed discipline from the Saints, with Grigg managing to regain some form. Evans made a welcomed return down back while Carrington found his way into his league spot on the wing. The Saints piling on the goals in the second half to win by 35 points.

### **LADIES DAY SEES SNESA DOUBLE**

Two wins for two legends and a brilliantly organised event capped off another successful Saturday afternoon at Soklich and Co Oval.

The League went 4-0 as they defeated long-time rival Ellenbrook. In a game that saw Dan Williams and Hayden Scott celebrate 200 and 150 games respectively, the Saints were under siege from their visitors. However the Saints' backbone stood tall. SNESA were triumphant by 51 points.

The Thirds faced off against Piara Waters and the Saints were slow to get going. Eastcott kicked the first goal of the game against his old side, the Saints kicked away in the second quarter and the Falcons were kept goalless in the third. While they managed to kick two goals in the last quarter, the Falcons simply couldn't gather the momentum, the Saints running out 47 point winners.

The day was soured with a reserves loss and key defender and life member Brendan Colkers suffering a fractured fibula which will see him sidelined. Colkers' speed and attack will be missed so SNESA fans are wishing him a speedy recovery.

A fantastic afternoon of fun and community celebrations as the club showed its appreciation for all the amazing women that support our players and members and help keep this great football club afloat.

## Milestones

Dan Williams (SNC Class of 2005) played game number 200 in the blue and gold on Saturday May 4th and what journey it has been. Dan is the ideal modern day defender, professional teammate and great clubman and outstanding individual.

Hayden Scott (SNC Class of 2007) became SNESA's next life member, notching up 150 games for the club last Saturday.

Hayden has been an essential part of this football club over the last 9 years, joining SNESA in 2010. He was a member of the 2011 Colts Premiership team and an asset to any team, club or community.
