## More Information

### Hat

The hat is required to be worn whenever students are involved in school activities held outside during the months of August to May. Students not wearing a hat during these months will be directed to a designated shade area.

During the months of June and July the wearing of a hat when spending time outside for a relatively short period of time, eg. recess, lunch, most sport lessons, will be optional. However, a hat may be required for lengthy periods spent outdoors, eg full day sports event.

### Shoes

Podiatrist's advice...

- avoid wearing the same pair of shoes every day - two pairs of shoes are recommended
- leather or canvas upper recommended

### Second Hand Uniform

A range of second-hand items are available for sale through the Uniform Shop dependent on supply. Parents are invited to present clean second-hand uniforms that are in very good condition for resale on consignment through the Uniform Shop. The items are priced by the Uniform Shop Manager and displayed for sale. Following the sale, 80% of the sale price is passed on to parents. Sale of second hand items does not include superseded items or styles.

### Implementation Responsibilities

Parents are to ensure that students have the correct uniform and wear it at all times. If there is a reason why the correct uniform cannot be worn in the short term, parents are to inform the school with a reason.

If the school identifies uniform to be incorrect, parents are informed using an approved notification process and it is expected that issues will be rectified as directed.
