Dear St Joseph's College families,

I am writing to let you know that our colleague, Mr George Paolucci, has recently suffered a stroke and will be spending the foreseeable future undertaking a rehabilitation program. We are deeply thankful that Mr Paolucci is receiving excellent medical care, and I am sure you will join me in wishing him all the very best on his road to recovery.

I know you will keep Mr Paolucci and his family in your thoughts and prayers during this time, and I thank you for your understanding and support as we work together to support both Mr Paolucci and our students.

A reminder to students that support is available through wellbeing if you feel like you would like to talk to someone about this news.

With every blessing

Mr Greg Kluske
Principal
