How to:

STEP 1

Download and print out the wristband template onto white cover paper. Cover paper will make your bracelets sturdier, but still flexible enough to wear comfortably.

STEP 2

Decorate your wristband template with pencils or markers.

STEP 3

Cut along the outer solid grey lines as well as the short lines extending into the strip to create slits, be careful not to cut all the way through! Adult supervision is recommended when using scissors.

STEP 4

Wrap the wristband around your wrist and join the ends together by sliding the slits into each other. Your Harmony Week Wristband is now ready to wear or share!
