

On the 14th and the 15th of October, Sacred Heart went to Genazzano to do their whole school Performance about Frozen.

Firstly, on Tuesday the 14th we went to Genazzano during the school day because we had to practice at the actual stage we would be ready. The stage was really spacious and in my opinion was better than the one we used for the Lion King. The Furlan room was where everyone was that weren't

in the Main cast. In the Green room was where all of the Main cast characters were and you had to be very quiet because you could be heard.

On the night we had to be there by 5:45PM in full black. In the Furlan room you got changed into your costume and waited until the show started. When it did start we would look at the TV and see what was happening on stage. For most of the time we chatted and played shot shot Gun.

When we got called up to do our song we got in line and went to the Green room. We got to the stage and then the song started. We did our dance with goofiness and laughs. We got off the stage and went back to the Furlan room. I watched the rest of the show and then went back on for the finale. At the end of the play I found my proud parents and went home.

On the second night I kind of did the same thing. I went to the Furlan room, got changed and waited for our song.

For this night I don't know why but we did a lot better and we got a lot of cheers, laughs and claps. On the finale we started singing and when it finished Mr Weeks and Mrs Mulhall started thanking everyone. I went home with Zac and we got maccas but coincidentally we saw Felix and many other Sacred Heart kids. In conclusion, it was really fun and I want to do Shrek for the next one.
