Synopsis: The Department of Education and Training (DET) Respectful Relationships Initiative is a program that runs in more than 1850 Victorian government schools. The aim of the program is to promote equal and respectful relationships, and create a culture free from family violence and gender inequality. This information session is being delivered in partnership with the DET Regional Resilience, Rights and Respectful Relationships Team and Beaumaris Primary School, and will give you an insight into why we need Respectful Relationships Education and what you can expect for your children in this space.

This information will be presented by Kristy Lang. More information about Kristy can be found here: <https://respectfulrelationshipseducation.com.au/about-kristy-lang/>

Links to the Education Week 2021:

The theme for Education Week, from 23-29 May, is "Building Connections". The theme celebrates the connections between schools and local communities and strengthens bonds with families and careers. Education Week is an opportunity for all primary and secondary schools, higher education and early childhood services to showcase how they are building connections with the community around them.

We look forward to see you online on Thursday 27th May at 6:30pm.
