

White Card Induction Training Day Friday 3rd March 2023 Expression of Interest Form.

Return to Administration or Careers office ASAP.

What is the Construction (OH&S Induction) Card?

The Construction (OH&S Induction) Card (CIC) training establishes general, industry-wide OH&S training and is a requirement for all people who work on construction sites, both domestic and commercial. The industries associated are Building and Construction, Plumbing, Electrical and Fencing. A white card is mandatory should your child wish to participate in Work Experience or Structured Work Place Learning in these areas.

What does the course cover?

The objective is to provide students with an overview of basic OH&S principles and legislation. An understanding of hazards, risks and control measures, emergency procedures and an introduction to industry schemes and agreements. The training is competency-based and upon completion students will receive a certificate. The cost to do this course outside of the school is approximately \$160pp.

- Students interested must register EOI form first via the careers office.
- Class numbers are limited, so prompt return of this form is appreciated.
- **Cut Off date for places is Friday 24th February.**
- Cost is \$60 per student, the fee will be applied to your college account.
- Date of the training day is Friday 3rd March. It will be an all-day event during school times.
- Parent approval is required.
- **Students will be required to bring photo identification to the course and must be 15 years of age.**
- The course is held and ran by the CFMEU: students will be issued with a Statement of Attainment for CPCCWHS1001 Prepare to Work Safely in the Construction Industry.
- All students need to apply for a USI number. The careers team will help assist students to obtain this if they do not already have one. We will contact you once you have submitted your expression of interest form.

This form must be completed in full and signed before the student will be considered for the event.
