**“DON'T LOOSE PERSPECTIVE!”**

Lets think, draw and create from perspective. We'll explore all things 3D with all different methods and mediums.

Tuesday 16th April

**LETS VISIT MUMBAI, INDIA**

Special visitor Rima ( Aarav's mum ) visits us today to teach us all about Mumbai - India through craft, cooking and dancing.

Wednesday 10th April

**DON'T SNOOZE, REUSE**

Today we will be creative, using recyclables to make musical instruments, form a band and make some music.

Wednesday 17th April

**CHAMPION CHEFS**

Today you'll be chefs, decide what you want to make with your given ingredients and have a bake off in the kitchen to be a Champion Chef!

Thursday 11th April

**I AM THE GREATEST**

Put your brave face on! Today you are a boxer with Personal Trainer Natalie Smith. We will cool down with some yoga and positivity themed activities.

Thursday 18th April

**IT'S EASTER**

Crafts, cooking and lots of easter fun to get us ready for Easter Bunny.

Friday 12th April

**AROUND THE WORLD**

Come for a trip around the world! We will visit Japan, India and America with great crafts and activities.

**OUR EASTER MARKET:**

Week One:

Every child will decorate a 'treasure box' make goodies and make money, to be ready for our buy and sell Easter Market.

Week Two:

Every child will have the opportunity to collect and buy goodies from the market to put in their treasure boxes with money they have earned from making the goodies.

Our program has been put together with the help of families and children at our program. Our program may also be altered if needed.

## **ABOUT US**

### **XPLOR AND MYGOV:**

To attend the service families need to: Register on MyGov to receive CCS (Child Care Subsidy). Complete and return the service's enrolment forms. Create an account with Xplor (You will receive an email to do this). Log on to 'Xplor Web' and click on CCS Agreements, read and approve the CWA. Go into your MyGov account and confirm your child's enrolment. If you have any queries contact Neisha -0478 748 945

### **MEALS AND REFRESHMENTS:**

Parents/guardians are to provide healthy lunches, snacks and a refillable water bottle daily. Children are not permitted to bring food that need heating, reheating or preparation to the program. Due to an overwhelming response in favour of our 'water only policy' survey, children should bring a **refillable water bottle**. In line with our Health and Nutrition Policy guidelines, sugary drinks, chewing gum, lollies and sugary snacks are not permitted. On occasions the children make and decorate sweet treats to take home. Our enrolment forms have an area for dietary requirements and unless specified your child will be given these items. Should you need to specify that your child is not to have these things please add this to your enrolment form.

### **ATTENDANCE:**

Our programmed activities commence at 10am daily therefore children benefit from being signed in by 10am. All of the activities/themes on the program have been chosen in collaboration with the children who attend our after school care program. Please ensure children wear a Brimmed hat, covered in shoes and sleeves! It is recommended children wear old clothes as we do lots of "messy" activities.

### **DON'T FORGET TO BRING:**

A refillable water bottle, brimmed hat, sleeves, covered in shoes, your own healthy food and your SMILE! :)
