

# How to Give

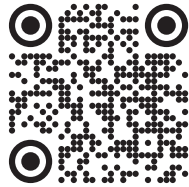

Please use our convenient online giving platform to make your gift or contact our Accounts Team on 6392 0314 to make a payment over the phone. You can also complete the attached giving form and return it to us. All gifts will be acknowledged in the School newsletter and magazine.

If you would like to discuss the impact you can make by supporting our School with a major gift, we invite you to contact Trevor Delbridge, Business Manager on (02) 6392 0310 or [foundation@kws.nsw.edu.au](mailto:foundation@kws.nsw.edu.au) for a private and confidential discussion to consider how you can make a difference to the future of Kinross Wolaroi.

Bequests are also most welcome. Including Kinross Wolaroi in your will is a meaningful way of contributing to the legacy and security of the School. We welcome confidential discussions on the lasting impact a generous gift can have. Please contact Trevor Delbridge, Business Manager on (02) 6392 0310 or [foundation@kws.nsw.edu.au](mailto:foundation@kws.nsw.edu.au) to discuss how your bequest could make a difference.

# HOW YOU CAN SUPPORT *Our School*

KINROSS WOLAROI  
SCHOOL

## END OF FINANCIAL YEAR COMMUNITY GIVING APPEAL 2024

As we reflect on our School's remarkable journey and accomplishments, we are deeply grateful for the enduring support of our families and alumni. Their generosity has been instrumental in shaping the exceptional educational environment we cherish today.

In order to sustain our legacy of excellence and continue providing unparalleled opportunities for current and future generations of students, we rely on the ongoing support of our community. We urge you to consider joining us in this vital endeavour by contributing to our School.

Your gifts, regardless of size, hold the power to transform lives and enrich the educational experiences of our students in profound ways. Together, we can ensure that our School remains a beacon of educational excellence for years to come.

Thank you for your consideration and unwavering commitment to our shared mission.

With gratitude,

Dr Andrew Parry  
Principal

Rev. Andrew Cunningham  
Chair of Council

As the end of the 2023/24 financial year approaches, we are calling on our families and community to consider making a tax deductible donation to support the School's scholarship programs.

# DONATE TO THE *Scholarship Appeal*

This year, our primary focus revolves around scholarships. Your generous support enables children to access a Kinross Wolaroi education, opening doors to academic and extracurricular opportunities that might otherwise be out of reach. Whether they are boarding or day students, your assistance helps them thrive in a community that prioritizes exceptional education and fosters a strong sense of belonging.

At Kinross Wolaroi School, we continuously support over sixty students through various scholarships and bursaries. These are awarded not only to recognise and encourage excellence in academics, music, and leadership but also to assist families facing financial or personal challenges.

By contributing to this initiative, you can be assured that your donation will directly and significantly impact the life of a young person, providing them with the chance to flourish and succeed.

# KINROSS WOLAROI *Scholarships*

Please give generously to provide them the best possible start in life and to support our School's tradition of inclusiveness.
