### ***How is the P&F Election performed?***

The P&F Constitution requires all positions to be vacated each year, and any member may be nominated for a position, including someone who has previously held the role. The process is:

1. A person is nominated
2. A seconder is called for
3. Once all nominations for a position are in and seconded, it is put to a vote on the voices
4. A poll may be taken if requested by a member

Feel free to contact **P&F President Braelen Zwart 0422 332 987** to discuss roles & get an understanding of what is required or to nominate yourself for a role. We look forward to meeting many new faces at the upcoming AGM and throughout the year ahead.
