

2017 White Knight Gala Dinner

Join the crusade and fight youth violence by attending the White Knight Foundations' second Annual Gala Dinner!

The White Knight Foundation Gala Dinner is as an opportunity for the wider White Knight Foundation family to meet and experience the truly inspiring work the foundation has been undertaking.

The White Knight Foundation has been doing great work with the money raised from the 2016 dinner and other events – purchasing thousands of dollars' worth of medical equipment for hospitals, including Royal Rehab, Liverpool and Royal North Shore Hospital; purchase of rehabilitation equipment to assist individual victims with recovery; financial assistance for accommodation for families supporting victims in rehabilitation; and ongoing school and community programs.

In what will sure to be a great night will be full of speakers, entertainment, live music, a three-course meal and auctions. We will have the honour of having Ben Fordham as our Master of Ceremonies along with several other special guests on the evening.
