

YEAR TWO

Week 5-10 2026: Newsletter

WRITING

The Year Twos have done an incredible job learning how to write detailed and structured narratives.

They have also begun diving into persuasive texts, learning how persuasive devices help them to persuade various audiences.

JSO Speech 18/3/26
Introduction: Hi! I'm Lucy and I would like for you to vote for me. I would be fun.

Reason 1: If you vote for me I will choose to make a day where you could wear whatever you want! And since I am very responsible I will make sure that nothing will go wrong! It will be very safe.

Reason 2: If you vote for me I will banish all little learners. People don't like little learners one bit! They think it's boring. (Do you want little learners to be banished?)

Reason 3:

MATHS

The Year Twos have been exploring and building their understandings of place value in number, maps and two-dimensional shapes. We have used MAB blocks to develop and extend our knowledge as well as to build fluency.

2D SHAPE	NAME	SIDES	VERTICES
	triangle	3	3
	rectangle square	4	4
	pentagon	5	5
	hexagon	6	6
	circle	0	0
	square	4	4

SPECIAL EVENTS OR CONCEPT

We celebrated Harmony Week in week 8! The whole school connected and celebrated community through our many differences. We wore a splash of orange to show our dedication to this important celebration!

Why is harmony week so important?

Harmony week is important because we can celebrate each other's strengths and differences. If anyone teases you about where you're from or what color your skin is, you go to a older adult. If you can't pronounce a word cause you are from a different country, don't worry you will get there someday. It's important to be kind about each other's differences. It's important to be kind on harmony but it's important to be kind everyday not just harmony week.
