To whom it may concern,

Students of the Yuille Park Community College community have been working tirelessly over the past eighteen months to plan, fundraise and develop necessary skills to create the 'Yuille Explorers Program (YEP)'. This program has been established to provide young people from diverse backgrounds the opportunities to explore the world around them; something that they may have never felt was in their reach.

Students have planned their first trip with their fundraising, which is an overseas trip to New Zealand. In the future, students will continue to plan for camps, excursions and other opportunities that develop their teamwork, understanding of culture and overall confidence. It is just the beginning for YEP!

The Ballarat & District Trotting Club is assisting YEP by allowing us to host a Fundraising Event alongside a night of Harness Racing. On the night we will have special guests, races, auctions and a lot of fun showcasing the incredible work of our young explorers.

We are looking for businesses who would like to sponsor and be part of this night. We have the following packages available for you to participate in:

**Gold Race Sponsorship**  
\$500. Limited spots available.

This includes:

- 2 x dining tickets
- Race named after the business
- Race book advertising the business

**Silver Race sponsorship**
