# Mentoring Services for Australian Apprentices

We understand that balancing work, training, and your personal life can be tricky sometimes. That's why we offer confidential mentoring and coaching to support you throughout your entire apprenticeship or traineeship process.

If work, training or personal issues are affecting you, our experienced mentors are at your service from the commencement of your apprenticeship or traineeship, right through to completion.

**MEGT's mentoring program is a confidential service, and we can offer support in the following areas:**

- Workplace communication
- Training
- Helping with claims
- Mediation
- Workplace coaching around performance

**MEGT Proudly Supports Women in Non-Traditional Trades.**

If you are a female apprentice commencing into a non-traditional trade, MEGT offers you specialised mentoring services and provides ongoing support throughout your apprenticeship. Our highly skilled mentors, for Women in Non-Traditional Trades (WNTT) are here for both employers and female trade apprentices to provide advice and insights on how to best navigate and overcome any of the challenges that may arise.
